

## Bridal Veil Offers Reward for Stolen Flags

Four flags, custom designed and made by Lois Clark of Provo, were stolen in October at Bridal Veil Falls, and Bridal Veils is offering a reward for their return.

One hundred dollars will be given with no questions asked if they are returned. Bridal Veil is also willing to pay \$200 for information about them that might lead to apprehending the person(s) who

took them.

The flags, which measured 4x6 feet, were attached to five telephone poles west of the parking lot at Bridal Veil. Three were made with nylon banner fabric and the fourth used fabric-covered kites.

Those having information may call Bridal Veil Falls or 375-5100.
